LIGHTING PLANS

WHY A LIGHTING PLAN?

- Impressive lighting can deliver a stunning result. Using expert techniques, such as Layered Lighting, we can enhance the entire mood of your space.
- Lighting can be complicated – it's important to get it right the first time.
- We'll deliver you a more energy efficient result.
- We'll take the headache out of your building project. We can provide full lighting project management where we liaise with everyone on site to ensure things run smoothly.

OUR COMMITMENT TO YOU

OUR EXPERIENCED DESIGN SERVICES TEAM WILL TAKE CARE OF ALL YOUR LIGHTING NEEDS.

- Free, no obligation initial meeting.
- Detailed consultation with an experienced Designer.
- Draft Lighting Plan plus 2 revisions.
- Final Lighting Plan package is provided, including plan, full product specification, wiring instructions for electrician and other relevant documentation.
- End to end Lighting Project Management services.
- Lights delivered to site (Sydney metro & surrounds). Ask us about delivery to other areas.

OTHER SERVICES

We offer other options to suit different budgets and requirements. Ranging from our "Design Services Lite" offering through to a Commercial Lighting Plan service.

OUR FEES

Our fees vary depending on the type of service offered and the size of the job. Contact us to enquire about our fees or if you want more information on our services.
